OUR VISION

To lead the Real Estate digital shares market and aggressively scale to the Top 3 in the United States with an AUM of US\$100 Billion over the next 5 years.

OUR MISSION

Unlock liquidity and fractionalize real estate assets to increase platform assets under management (AUM) and boost global digital share adoption.

HOW IT WORKS

Onboarding

- Explore Our Platform: Dive into the Realproton platform and uncover the benefits of investing in a digital share holding company.
- Start Investing: Click on "Invest Now" to begin your investment journey.
- Smooth Integration with Partnered exchanges: You will be directed to a regulated exchanges partner to finalize your investor onboarding process.

Explore The Realproton Portfolio

- **Commercial Real Estate:** Includes premium office buildings.
- **Multi-Family Residence:** Consists of high occupancy residential complexes that provide a reliable income stream.
- **Hotel:** Located in high-traffic areas, these properties offer significant revenue potential from both business and leisure travelers.

Tokenization for Enhanced Liquidity

- **Secured Digital Share:** Realproton digital shares are created using secure ERC 3643 and ERC 1404 standards guaranteeing compliance with regulations.
- **Multi-Chain Support:** Realproton digital shares function across various blockchain platforms, maximizing accessibility and interoperability.
- **Regional Integration:** Digital Share will be traded on multiple regulated entities, offering improved liquidity and flexible investment opportunities.

HOW DO WE DO IT

Global & Diverse Greater ROI Portfolio

- **Geographic Diversity:** Our properties are located across economically resilient regions to maximize capital appreciation.
- **Operational Efficiencies:** Realproton employs advanced management practices to enhance performance and reduce costs across its assets.
- **Regular Asset Evaluations:** Properties undergo independent assessments, ensuring transparency and accuracy in valuations.

Smart Contract Efficiency

- **Property Onboarding:** Effortlessly integrating new properties into the portfolio.
- **Token Management:** Monitoring the issuance, compliance, and trading of digital shares in real-time.
- **Asset Management:** Providing real-time updates and managing operations to enhance performance.

READY TO INVEST

Embrace the future of real estate investment with Realproton. Whether you are an accredited investor from the U.S. or a global participant, our platform is tailored to streamline your investment experience while delivering appealing returns.
